The Boss

-I'd like to show you something. He did, then rammed a paw under her skirt. -Now you know why you're here and why I'm here.

She returned to her desk and fished out the Saturday Night Special her mother had given her. *But don't ever use it*, she warned, *might explode.*

It didn't but was quite hot when she dropped it back. -Now we know why I'm here, she pronounced..
